- (a) Iceland

Dikshant IAS - Daily Current Quiz

Date: 12/3/2024

- (b) Denmark
- (c) Brazil
- (d) Chile

Answer: (a)

- A state of emergency was declared in southern Iceland following the volcanic eruption on Iceland's Regen Peninsula on March 16, 2024.
- Lava from the volcano is spreading rapidly in the northern area of Grindvik.
- Earlier also on February 8, 2024, there was a volcanic eruption here. The volcanic eruption has created a crack up to a distance of 3 kilometres.
- This is the fourth incident of volcanic eruption on this peninsula since December 2023. The explosion sent huge amounts of smoke and lava into the air.

4. According to the recently released World Happiness Index 2024, which is the happiest country in the world?

- (a) Switzerland
- (b) Norway
- (c) Denmark
- (d) Finland

Answer: (d)

- In a UN-sponsored report that lists the world's happiest countries, Finland comes out on top for the year 2023, taking the top spot for the seventh time.
- This is followed by Denmark and Iceland.
- An interesting observation from the World Happiness Report 2024 is that the happiest countries no longer include any of the world's largest countries.
- Only the Netherlands and Australia in the top 10 have a population of more than 15 million.
- According to this year's report, the US and Germany have dropped out of the top 20 happiest countries for the first time in more than a decade, now ranking 23rd and 24th respectively.
